Dear George,

Thank you for your letter of 22nd November 1965
covering three of your 1965 Planning Reports.

These are very handsome productions and I have
passed them on to others to look at.

As requested, I invited Mr. R.T.M. Whipple to
attend meetings of the Organizing Committee of the
Australian Institute of Urban Studies in your absence.

Yours sincerely,

(Gavin Walkley)
President.
