

Tehran 10 Sept 67.
چهارشنبه Sunday.

CHESHMEH ALI
REY - IRAN

DC

Here in Muslim countrée
Friday is the Holy Day,
so we work every other
day. I'm well & happy
& well looked after —
and my work is most
interesting. Here are
the women of a village
 just near Tehran,
washing carpets in a تویین غولا
stream — love George.
