Dear Ald. Briger:

re: Decisions on Action Plans 3 and 4 : Car Parking on Western
Side of CBD; and Wynyard Pedestrian Precinct

The following received copies of the First Progress Report and the
above two Action Plan Briefs either at the 3rd Review Meeting on
October 15 or immediately following it :

The Lord Mayor
Ald. Briger
Ald. Port
Ald. Harris
Ald. Griffin
Town Clerk (Mr Lambert)
City Engineer (Mr Edge)
Building Surveyor (Mr Doran)
SPA Representative (Mr Crockett)

Please tell us who else should receive copies of Briefs for the two
immediately proposed Action Plans (Car Parking on West and
Wynyard Pedestrian Precinct). We enclose two additional copies
of these Briefs immediately available. You might want these sent
to the, say, other Gipps and/or Macquarie Ward Aldermen, as both
Action Plans are in their Wards.

We also enclose two copies of the Confidential First Progress Report
submitted at the Fourth Review Meeting on October 29 last.

Yours sincerely

George Clarke
