ALDERMEN'S ROOM
TOWN HALL
SYDNEY

27th. October, 1970.

Mr. G. Clarke,
Urban Systems Pty. Ltd.,
M.L.C. Building,
Victoria Cross,
NORTH SYDNEY. 2060

Dear Mr. Clarke,

Unfortunately as I did not receive a shortened version of the first Progress Report, nor a recommendation as to Parking by Monday 26th. October, I was unable to discuss this matter with my colleagues, nor seek their approval and thus I am unable to make any recommendations at our next formal meeting to be held on Thursday 29th. October.

I enclose a copy of a letter written to the Railways Commissioner, Mr. McCusker in his capacity as Chairman of the C.C.P.T.A. Committee.

I understand that Mr. McCusker is to call upon the Lord Mayor on Wednesday when this matter will be raised by the Lord Mayor.

I also enclose copies of a number of letters replying to letters sent under the Lord Mayor's signature to various authorities.

I have also made arrangements to forward the various letters to Community groups as requested by you.

Yours faithfully,

ALDERMAN A. BRIGER.
VICE CHAIRMAN CITY DEVELOPMENTS
COMMITTEE.
