Dear Sir:

In response to your enquiry, we confirm that we do not wish or intend in any way to depart from the time-schedule for submission to Council of the Consultants' Report on the Strategic Plan for the City, as set out in the Section of our Application headed "Work and Decision Schedule".

We are fully equipped to complete the Strategic Plan to that Schedule. We confirm the professional opinion expressed in the Section "Appreciation of Council's Requirements and the City's Needs" that the City urgently needs a Strategic Plan, and that we are capable of assisting Council to serve the City in this task within the 36 week period of the Schedule. We further confirm that this Schedule provides for the printing and public distribution of Council's Report to be done after this period, in a manner, style, quantity and time to be determined by Council.

Yours faithfully
