First objective is to contact various bodies authorities
— hold up chart in front of TV. — articles in
papers reproducing chart & explaining
difficulties — editorials saying surely
something is wrong in a City which
has to be admin by so many
depts — we (SMH) appreciate
the unsurmountable or tremendous
task the Strat Planners
have in coping with this multitude
of tangled web — this is our first
step — & what a burden
— we have assurances of
co-op — but what a problem!

Cncl is writing to us re cash in lieu of parking provision.
