Dear Sir:

re: Council's Strategic Plan : Correspondence between the
Lord Mayor, the Minister for Lands and the Moore Park
Committee

We refer to the letter dated 20.10.70 from the Secretary of the Moore Park Committee established by the Minister for Lands, addressed to the Lord Mayor, in response to the Lord Mayor's letter requesting Government bodies to advise Council as to their policies, plans, views and needs for integration with Council's Strategic Plan.

This letter states that the Moore Park Committee has submitted its report to the Minister, in whose hands the matter now rests.

We recommend that Council act to clarify this situation. We enclose a draft of a letter the Lord Mayor might appropriately write to the Minister for Lands.

We are sending copies of this letter and the draft attachment to Ald. Briger, Council's empowered representative on matters affecting the Strategic Plan, and also to Ald. Shehadie, whom we believe has a special interest in the possible future of this sporting complex.

Yours faithfully

**DRAFT LETTER FROM LORD MAYOR TO THE
MINISTER FOR LANDS**

October 27, 1970

My Dear Minister:

Earlier this month, I wrote to your Under Secretary, Mr Kingsmill, and to the Secretary of your "Committee on the Moore Park Complex", Mr J. Robinson, informing them of my Council's current work in preparing a Strategic Master Plan for the City of Sydney.

This Plan is to deal, not with detail, but with major policies, priorities and procedures for future coordinated action in city development. I requested that Council be informed of your Department's policies, plans, views and/or needs, as Council is anxious to integrate these with Council's policy, strategy and action program.

Mr Robinson wrote to me on October 20, saying that the Moore Park Committee had completed and submitted its Report to you, and that the Committee is now inoperative, pending your deliberation and decision. You will appreciate that my Council is interested in the future of the Moore Park complex, and we would appreciate advice as to your current thinking on the matter.

My Council's Strategic Plan is due for completion early in 1971, and we would like to be able to include in it a definitive statement of agreed policy on the future of the Moore Park complex, together with associated matters, such as transportation, parking and traffic arrangements to serve it.

Your early advice would be appreciated.

Yours faithfully

Lord Mayor
