One of the aspects of the plan is parking, for which an interim policy has now been submitted to the City Council. As this is a matter which is of vital interest to your organisation, we would appreciate it if your Council would comment on the draft proposals outlined in the copy Interim Parking Policy which, we understand, our Consultant has forwarded to you.

Should you require further information concerning the details of the draft proposals, would you kindly contact Mr P. Casey of the Urban Systems Corporation - telephone 929.0855.
