DRAFT LETTER (on City of Sydney Council letterhead)

To: As per attached list.

Dear Sir:

re: Consideration of your problems, needs, policies and plans in the preparation of Council's Strategic Plan for the City of Sydney

Your City Council recently resolved to prepare a Strategic Plan for the City of Sydney. This Plan is to establish agreement on a definite series of statements about the long-term aims and objectives we are to seek for the City as a whole, and for each district and neighbourhood of the City. The Plan will lay down a series of broad strategies and policies, or guides of how Council and other authorities should make decisions in the future on matters affecting the City.

The Strategic Plan will also establish the short term priorities for immediate action by Council and other authorities to remedy the City's most pressing deficiencies and to plan in detail for the achievement of the agreed objectives.

Council has appointed a team of expert consultants to assist it to prepare the Strategic Plan. This team is led by the Urban Systems Corporation in association with McConnel, Smith and Johnson and W.D. Scott & Co. U.S.C. head office is in the MLC Building, 105 Miller Street, North Sydney (Telephone 929 0855).

Council is concerned to do whatever it can to improve community facilities to meet the needs of the City's residents and workers and of their community groups and organizations. Your close and extended involvement with the city community and awareness of the problems and needs facing the people of the city would enable you to supply us with first hand valuable information in the form of a statement that could influence the Strategic Plan.

Council is determined to complete its Strategic Plan within the next six months, and so that we may consider your views in the making of our Plan, we need to receive your statement no later than Friday, December 18th, this year.

Yours sincerely

Andrew Briger, Vice Chairman
City Development Committee
