

THE COUNCIL OF THE CITY OF SYDNEY

The Secretary,
Urban Systems Corporation Pty.Ltd.,
M.L.C. Building,
105 Miller Street,
NORTH SYDNEY. N.S.W. 2060.

TOWN HALL, SYDNEY, N.S.W.

5th January, 1971.

REFERENCE: 2971/70 EW:MN

Dear Sir,

I am forwarding herewith for your information a copy of a letter dated 14th December, 1970 from the Executive Director, Australian National Travel Association, together with a joint submission by that Association and the Tourist Coach Operators' Association of New South Wales, with regard to the need for a permanent loading base for Sydney Tourist Coaches.

The letter referred to and the joint report were placed before the Council at its meeting held on the 21st December, 1970, when it was decided that the proposals contained therein be referred to the Joint Consultants appointed by the Council for the preparation of a Strategic Master Plan for the City of Sydney for consideration. Your Organisation's comments on the proposals, in due course, would therefore be appreciated.

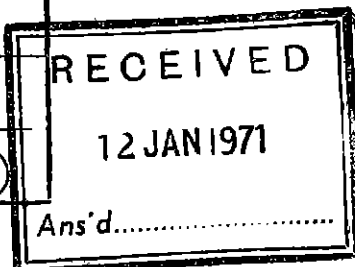

At the same time it was decided that as a temporary measure as and from the 1st January, 1971 the Australian National Travel Association be advised that the Council supports and adopts the third recommendation contained in the joint report for the establishment of a loading base on a site in Circular Quay West, Sydney, adjacent to the facilities of Circular Quay Ferry Terminal, subject to the approval of the Sydney Cove Redevelopment Authority and other responsible Authorities.

The abovementioned decision of the Council has accordingly been conveyed to the Australian National Travel Association, the Parking Advisory Committee for the City of Sydney and the Sydney Cove Redevelopment Authority.
