Dear Mr Cooling:

Thank you for your attendance and valuable contribution to the discussion held with representatives of various authorities on December 3 last. I enclose notes of discussion of that meeting.

Following on that meeting, we presented the revised Interim Parking Policy Report to Council and it is at their recommendation that we enclose a copy of the Revised Report (which formed part of our Second Progress Report) for your comment and criticism.

Your views and criticism will be of considerable assistance in ensuring that the Parking Policy for the City is complete and in all respects the most efficient policy possible. Could you let our Mr Peter Casey have your views on the enclosed Report by, say, January 15 next year. Mr Casey will not be available during the period December 24 to January 8 inclusive.

We look forward to hearing from you further.

Yours faithfully
