Dear Sir:

You are no doubt aware that Council recently resolved to prepare a Strategic Master Plan for the City of Sydney and appointed the Urban Systems Corporation, of 2nd Floor, MLC Building, 105 Miller Street, North Sydney, in association with other specialist firms and experts, to assist the Council in preparation of this Plan.

You will appreciate that our Consultants' task will involve a considerable amount of collecting and compiling existing data related to development and transport in the City of Sydney. I understand that some of the data required is available to your Company, and would appreciate any relevant material being made available to our Consultants.

The cooperation you afford Council's Consultants in this matter will be very much appreciated.

Yours faithfully

Acting Lord Mayor
