Dear Sir,

I refer to your letter of August 10th, 1970, in which you ask to be made available to you a report dealing with parking which has been prepared for the Steering Committee on Parking which comprises certain advisory groups.

Although Council has been a participant in the preparation of this report, the report has been prepared for the Steering Committee and it is not Council's prerogative to make it available until such time as that Committee gives its sanction. Under the circumstances it is regretted that your request cannot be acceded to.

Yours faithfully,
