City Development Committee
Council of the City of Sydney
Town Hall
SYDNEY NSW 2000

7078/A1

Dear Sir:

re: City of Sydney Strategic Plan - Technical Studies of Transportation and Traffic Systems serving and affecting the City - Liaison between Council's Consultants and various transportation and traffic authorities - Visit of Professor Alan Proudlove to Sydney

We request that the Acting Lord Mayor, as Chief Executive Officer of Council, write to each of the transport and traffic authorities listed below, formally requesting, on behalf of the Council, the assistance and cooperation of each authority and committee in the Council's current work program directed towards the preparation of a planning strategy for the City of Sydney.

Each Authority needs:

- (a) Formal confirmation that Council has embarked upon a work program to evolve and determine a strategy for planning the city
- (b) Formal confirmation of the appointment by Council of the Urban Systems Corporation and its associates to assist and advise Council in the task of evolving and determining this strategy
- (c) Assurance that Council recognises the status and expertise of the authority being addressed, and a formal request that the authority assist and advise Council in evolving and determining the strategy
- (d) Assurance that Council regards the determination of a

planning strategy as the most urgent priority and of the utmost importance

- (e) To be specifically requested to meet with Council's consultants, particularly Professor Alan Proudlove and the transportation and traffic engineers of the Urban Systems Corporation, to assist and advise them in their work for Council.

We attach a list of the names, titles and addresses of the authorities to be written to, drafts of the suggested letters, together with a copy of the professional biography of Professor Proudlove, who is in Sydney between August 3 and 30 as a special adviser to the Urban Systems Corporation.

In order that the strategic plan preparation be not delayed, we request that the letters be delivered by hand early this week, commencing Monday, August 3.

Yours faithfully

URBAN SYSTEMS CORPORATION PTY LTD
