Dear Sir:

re: City of Sydney Strategic Plan - Supply of Maps

Further to our letter of September 2, 1970 and with reference to a telephone conversation with Mr Cooper, it would seem that we were wrongly informed by the SPA that the 4 chain Map Series showed contours. Further enquiries indicate that this is not so except in respect of the Map of the CBD you have supplied.

We already have a set of 4 chain maps without contours, so no further action is required of you.

Yours faithfully
