**DRAFT JLETZER FROM TOWN CLERK TO ALDERMEN**  
**CITY OF SYDNEY STRATEGIC PLAN**

---

Dear Alderman .....

Council's Consultants for the Strategic Plan wish to invite representative community organisations to submit their views and comments on matters relevant to city planning and development. To this end, Council's Consultants are compiling a list of such community organisations, together with the names and addresses of the Presidents or Secretaries thereof.

The Consultants have suggested that individual Aldermen will be aware of particularly significant community organisations which Aldermen believe ought to participate in any such process.

It is the intension of the Consultants to write to these organisations, enclosing information as to the terms of reference of the Strategic Plan, and to invite such organisations to submit their views and comments in writing.

The Consultants may subsequently seek to interview representatives of a selected number of these organisations.

Please let me have within the next seven days the names and addresses of the President or Secretary of those organisations which you wish our Consultants to contact.

Yours faithfully

Town Clerk
