Dear Sir:

re: City of Sydney Strategic Outline Plan

We would appreciate you obtaining for us:-

1. One set of chronoflex transparencies of the 3-chain series of maps covering the whole city area, with contours, as prepared by the State Planning Authority. It is understood these are held in the City Engineer's Department.
2. On loan, one set of aerial photographs of the City at 3 chains to the inch covering the City. It is understood the State Planning Authority has a set of these photographs prepared by Adata from runs made on September 20, 1969. The series is numbered C45 R34120.
3. Details of plot ratios of buildings in the City, approved since 1961.
4. We have a map of the Central Business District which shows development applications to date. We should like to keep this up to date. We suggest that at a 4 weekly intervals our senior cartographer arranges with your senior draughtsman for the up-dating to be done by a member of our staff in the Council's office. We should like your concurrence to this arrangement.

6. We should like to have up to date information showing development over the past 10 years for the remainder of the City. We are particularly interested in the Surrey Hills, Pyrmont and Darlinghurst areas. Preferably this information would be charted on map. We should like this information made available within 10 days. You might inform us whether this is possible and in what form the information would be supplied.

Yours faithfully
