

PREPARATION OF THE  
CITY OF SYDNEY STRATEGIC PLAN  
August 1970 to July 1971

Alderman Andrew Briger, Vice Chairman of the City Development Committee, Council's empowered officer directing the preparation of the Plan, met regularly during the 11 months period with Mr George Clarke of Urban Systems Corporation, Council's Planning Consultant.

These regular Review Meetings were attended by the Deputy Town Clerk, the City Building Surveyor, the City Engineer, and by representatives of the Minister of Local Government, of the NSW Government's Passenger Transport Advisory Committee, and of the NSW State Planning Authority.

These photographs show one of the Review Meetings in action.
