## Aldermen fight Navy plan

THE City Council Development Committee is recommending the council to object to the Navy acquiring premises in Wyld Street, Potts Point.

The Navy Department wants 20/20 (a) Wyld Street to replace present Naval Headquarters in Macleay Street.

Ald. L. Port (Civic Reform) asked that the Navy's application be refused.

Ald. L. Devine (Lab.) said that at this stage it would be wrong to refuse the application.

Ald. Devine said that if the Commonwealth really wanted to, it could go ahead without consulting the council.

Ald. Port said: "All I am saying is that we want to tell the Navy that we do not want them to keep on spreading into Potts Point."

The council will discuss the recommendation on Monday.
