Dear George,

This note is, I am afraid, somewhat belated but I did, for obvious reasons, read with great interest your letter to the Editor of the Financial Review published on the 12th October, in reply to Mr. Dodd's letter published on the 19th September.

If I may say so, it is nice, for a change, to read correspondence from someone who takes the trouble to have his facts right. Much appreciated.

Very sincerely,

R. Sims.
