*Dear George,*

I am sure, with me, you were pleased to be associated with the successful seminar on "Management and Planning in City Government" on Tuesday last. I enjoyed the discussion sessions and was pleased to see the interest taken by the audience.

Those attending will now be better informed about the City Council and the strategic plan.

Thank you for your co-operation in helping the Institute present this important topic to a wide and representative audience.

*Sincerely,  
E. S. Owens*

E. S. Owens,  
President.
