THE FOLLOWING INFORMATION IS IMPORTANT:

Please report to each airport at least one hour prior to departure.
The exception is Kingsford Smith Airport, Sydney, where the reporting
time is 75 minutes prior to flight departure for all international
passengers.

The completed Outgoing Passenger Card and all other necessary travel
documents must be presented for inspection when checking in with the
appropriate airline.

RECONFIRMATION:

On arrival at each stop-over port en route kindly re-confirm your
next sector with the airline concerned and advise them of your contact
address and/or telephone number. As schedule changes are always likely
to occur, at the same time ensure that you are advised of check-in
time at city terminal and airport. Failure to re-confirm as above, can
result in the automatic cancellation of your next and all subsequent
flight reservations under I.A.T.A. regulations.

TIMINGS:

Kindly note all times are local times and have been taken from the
latest schedules available to us.

AIRPORT TAX:

At a number of airports throughout the world a tax payable by cash
in local currency is levied against departing passengers. We suggest
that you check when re-confirming as to whether or not this tax will
apply to your next departure. It may also be advisable to check as to
how much you will require in local currency for transportation from
your hotel to the air terminal or airport.

BAGGAGE ALLOWANCE:

Free Baggage Allowance is 66 lbs. (30 kg.) on First Class Services
and 44 lbs. (20 kg.) on Economy Class Services. Any excess baggage
will be charged at the applicable excess baggage rates. Baggage may
be bulked in the case of two or more passengers travelling together.

Cabin baggage. Limited space in aircraft passenger cabins makes it
necessary to restrict the personal articles that passengers may bring
on board. A small brief case or cabin bag may be carried, but will be
weighed and subject to excess baggage charges.
