

River, stamping feet in time to the furious frightened flights of trout. When undisturbed, the fish are taking shrimp, black snails and stick caddis not to mention the hundreds of, albeit unnutritious, flies that I contribute.

Nicky's mother, although resting as per orders, not looking very much better. Nicky in town tonight to consult with doctor tomorrow.

Attended the Ouse Players drama in Boer War uniform discovered in dusty cobwebby trunk. Hope Liz has luck with her own path to the stage soon.

Hospitality and keys to the island extended again by Chapman and women.

Poised for northward flight, I remain
