

SMH 04.02.1974
re award of Sidney
Luker Memorial Medal
for 1974

GC again emphasises his
1950s + 1960s
advocacy that Australians
want to live on the coast(s)
& that capital/infrastructure
planning should facilitate
the "urban/city beads on
coastal strings" with National
Parks between, all served
by expressways & railways
close inland, parallel to coast
