

URBAN SYSTEMS CORPORATION

Australia

USC has grown over fifteen years from Clarke, Gazzard and Partners, Australia's pioneer innovators in urban and regional research, planning and design. It continues to provide, both nationally and internationally, urban and regional research, planning, design and architectural services. This Australian firm has now grown to a multi-disciplinary organisation with a skilled and experienced staff of more than 70 professionals.

The wide range and scale of projects undertaken for government, institutional and private sector clients is such that USC is the most experienced independent consulting group in Australia devoted to these multi-disciplinary skills. USC has teams of consultants in offices in Adelaide, Brisbane, Gold Coast, Melbourne, Perth and Sydney. It has a proven record of successful project completion for national, state, local government and private clients in every Australian State and Territory.

Urban Systems Corporation personnel have carried out considerable work outside Australia, in New Guinea, Fiji, Mauritius, Iran, Ghana and the Philippines. It is registered with the United Nations Development Programme and the Asian Development Bank. USC has many affiliations with other Australian and overseas experts and associations.

URBAN SYSTEMS CORPORATION

South Australia

Following the establishment of its Adelaide regional office in January 1973, USC has been engaged in a number of environmental planning, transportation, economic research, and architectural projects.

USC's innovative and successful City of Adelaide Plan ranks high in advanced city planning work anywhere in the world.

USC makes available in Adelaide, specialist professional services in the fields of:

- ★ Environmental Impact Analysis and Planning
- ★ Transportation Systems Analysis and Planning
- ★ Residential, Retail and Industrial Market and Economic Research
- ★ City Management and Development Control
- ★ Urban Design
- ★ Architecture
- ★ Recreational Planning
- ★ Central Area Planning
- ★ Urban Sociology
- ★ New Town Development
- ★ Regional Planning
- ★ Historic Conservation
