Dear George,

I received your telex yesterday - thank you. I am now sending all letters in duplicate, both to Nairobi and Sayan. I sent a telex earlier in the day to "Easy Rider Travel service etc - please let me know whether you are receiving them. I know have a telex a/c with code name REVAN - so telexes sent to me should be sent ~~SYDNEY~~ AA10101 REVAN SYDNEY 6 since I'm always in haste and if I don't have this finished before five and there's a long weekend coming up there'll be further delays in our communications I'll just copy the telex. Sent to you.

We are now leaving Sydney Dec. 13th. ALITALIA VIA ROME & TELAVIV arriving Cairo Dec, 17th. Special excursion fare Sydney Rome Tel Aviv Rome Sydney resulting in a saving of over ~~\$1000~~ \$1000.00. Flying to Bali would cost as much extra as Sydney Bali Sydney so will postpone that till next holiday. We three are all booked at Sheraton Cairo from Dec. 17th. Am awaiting further confirmation of Egypt trip - peak season unfortunately, but believe and hope it will be worthwhile. I expect to spend 8-10 days in Egypt -

taking Nile trip - everyone insists absolutely essential to make prior tour & hotel arrangements for Egypt. Israel & Italy can be more flexible. Expect to return from Rome Jan 14th. ~ 19th. Coming week hopefully will send you (somewhere to Nairobi & Sayan -) fuller itinerary with flight details - ~~as~~ Please cable or telex earliest any other address - as soon as you know your movements -

Hope all's well. Better love Ee.
