Dear George,

Re: SRL/78/022 - Short-term Experts

Would you be interested in my recommending you for a three-month consultancy to work out some simple codes for the central business district of Colombo and some standard guidelines for commercial redevelopment projects. I am, of course, not offering you the job: I am merely saying that I could recommend you, if you were available. If you would like to be considered, please send me a C.V., so that I can pass it on to the Project Manager for his review.

Sorry I didn't see you at home in 1978, but maybe in 1980.

Best wishes.

Yours sincerely,
