Dear Daddy,

Today we took Sasha to have a vaccination at the vet. This was her second trip to the vet. Now that she has had her vaccination we can start taking her for walks. This afternoon I'm going to take Sasha for a walk to the post office and post this letter. Leon has been away in Melbourne so we haven't given him his present yet and we gave Cassey her present when she came back from Perth. A few weeks ago the Brissendens came and ~~and~~ stayed with us for a week and invited us to come and visit them in Canberra. We went to the beach every day. I went to the museum and the zoo with their child, Ben, who's a few years older than me.

With much love, Stephen xxx

P.S. We also went to see "Don Giovanni" with the Brissendens.
