date 16.8.76

John Lindsay, City Engineer, has asked for a detailed report on the matters raised in the attached, and for a report in time for the next Meeting of the M. P. Sub-Committee Meeting on September, 16th. He wants the report to make particular reference to the views of the Sydney Committee (Stephen Hall at the Opera House) and Ron Stringer, Controller of Parks and Recreation.

Can this be handled by the appropriate Sub-Consultants?
