Alderman H. F. Jensen
The Lord Mayor of Sydney
The Town Hall
SYDNEY. N.S.W.

Dear Alderman Jensen:

Have you had a chance yet to read the two books I lent you last December? The "Providence 1970" book is one which I hope will be widely studied in Sydney. Floyd Hunter's book on "Community Power Structure" is a more specialised one, which may or may not be relevant to conditions in Sydney. What do you feel about this?

If you have further use for either or both the books, you are welcome to hold onto them. If not, I would be pleased to have them back in my library.

John Rankin, your Council's Building Surveyor, asked me recently about the Civic Trust proposal. I recommended him to study the "Providence 1970" book on loan to you. He also asked me to suggest to him a list of names of prominent citizens who may be suitable for the proposed new civic bodies. I am today sending him the lists he requested.

Yours sincerely,

George Clarke
