Gentlemen:

On behalf of the Committee, I would like to express our thanks and appreciation for the efforts you made in the submission for the redevelopment of the Sydney Cove area.

The results obtained during the Committee's relatively short life were more than we had hoped for, and this is due in large measure to the excellent job you did for us. Only the future can tell the final result of our efforts, but the Authorities have been provided with a very firm foundation from which to work.

May I add my personal thanks for your very fine effort.

Yours sincerely,

G. J. Dusseldorp
Chairman
