Mr. John Rankin
Chief Building Surveyor
The Town Hall
SYDNEY N S W

Dear Mr. Rankin:

re: Proposed Civic Trust and Proposed Master
Plan Advisory Committee

Following your request, I list for you (see enclosure)
a number of names of people who might be suitable for
membership of the proposed new honorary civic bodies.
This list is, of course, only a preliminary draft.
It could help, however, to stimulate someone to
produce a much better one.

I would be pleased to help you in any further way I
can.

Yours sincerely,

George Clarke
