The Secretary,  
Sydney Cove Area Development Committee, 1962,  
39 Macquarie Street,  
SYDNEY.

Dear Sir,

Reference is made to previous correspondence from your Committee, addressed to the Lord Mayor, and a subsequent visit to the Town Hall by members of your Committee for the purpose of outlining a proposal for the redevelopment of the Circular Quay Area. The matter was discussed by Council at its meeting held on the 19th instant when it was decided to refer the proposal to the appropriate officers of the Council for consideration in conjunction with the preparation of a Development Control Plan for the Circular Quay Area generally.

The Council also decided that a conference be arranged with representatives of the Department of Railways, N.S.W., with regard to the question of the future use of the Department's land bounded by Pitt Street, Alfred Street and George Street, which is within the area of the proposed redevelopment scheme.

At the same time, it was directed that the Committee be advised of the Council's appreciation of the public spirited action and the interest in City Planning of the Committee as evidenced by the work involved in the preparation of the proposal and model for the redevelopment of the Circular Quay Area, and it would be appreciated if you would be good enough to convey to the members of the Committee the terms of the resolution passed by the Council.

Yours faithfully,

*E. W. Adams*
