EDGECLIFFE. N.S.W.

Dear Mr. Clarke,

I return herewith your files relating to the Sydney City and Metropolitan Development Association and apologise for having kept them for so long but this was caused by having considerable difficulty in arranging an interview with my Chairman.

The matter has now been discussed with Mr. Marks, who has indicated that he would be prepared to be included as a foundation member or councillor of the Association as the other members may think fit. He told me that he knew personally most of the members of the Council of Directors and is prepared to accept your advice as to where the first move should come from to have his name included. He particularly indicated that the following were quite well known to him, and would no doubt be prepared to sponsor his appointment.

Dr. D.R. Lysaght  
Mr. A.H. Urquhart  
Mr. R. Dusseldorp

Sir Frank Packer  
Mr. R.A. Irish  
Mr. G.W.E. Barraclough

Mr. J. Cadwallader  
Mr. A.F. Deer  
Mr. W.W. Pettingell, O.B.E.

Yours faithfully,

  
W. G. BARRETT  
GENERAL MANAGER.
