## "DEVELOP CITIES LIKE CANBERRA"

CANBERRA.—Townsville, Tamworth, and  
Portland were among cities that could  
be developed in the same way as Canberra.

Mr. George Clarke, a  
Sydney consultant plan-

ner, told the Australian  
Planning Institute conven-  
tion this here yesterday.

He said the results of the  
last five years of planning  
and concentrated invest-  
ment in Canberra could  
be an example to be  
emulated and bettered in  
other key locations.

The legal administrative  
framework in which the  
National Capital Develop-  
ment Commission was  
planning and developing  
Canberra was one of the  
most sane and rational in  
the world.

"We cannot even begin  
to wrestle seriously with  
the real issue of urban  
design in Sydney, Mel-  
bourne, or anywhere else  
outside Canberra, until we  
have got an administrative  
and legal basis for sophis-  
ticated community plan-  
ning," he said.
