1100/62. Circular Quay Area, Proposed Development Control Plan—Conference of interested parties.

- Consent  
9/12/63*
3. That consideration of the Development Control Plan for the Circular Quay Area of the City prepared by the Principal Planning Officer, City Engineer's Department, in collaboration with Professor D. Winston, Professor of Town and Country Planning, The University of Sydney, be deferred, and that a conference of representatives of the Council, the Government of New South Wales, the Royal Australian Institute of Architects, the Sydney Cove Area Improvements Committee and any other interested parties including owners and ratepayers in respect of land affected by the proposal, be arranged for the purpose of discussing all aspects of the question of the replanning of the area.

3726/63. Site of premises, Nos. 43/45 Macquarie Street and Circular Quay East, Sydney—  
development application.

*Council Resolution 9.12.63.*
